17.Skill development:

A Bachelor of Education (B.Ed) is an under graduate professional degree which prepares students to work as a teacher in school. Thus the nature of the syllabus rotate around the skill development of the student-teacher. The syllabus contains more the 50% skill based components in the curricula like Microteaching, Teaching aids preparation. Academic Planning, Practice Lessons, Internship, etc.

Besides above practical courses through EPC i.e. Enhancing Professional Capacities like Drama & Art in Education, Use of ICT in Education, Entrepreneurship Development, Reading and Reflecting on Text etc. also help to develop the expected skills in the Student-Teacher.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The integration of teaching in Indian language and Indian Culture is integrated in the curriculum through the theory as well as practicum part of the syllabus. Indian Knowledge systems comprising traditional ways of learning which are covered and well introduced across curriculum through the courses of education, Philosophy, Art, Literature, Science, Yoga and Sports.

The customs and tradition are transcended through courses like perspective in Education where in philosophy of Indian Thinkers like Swami Ramanand Teerth, Mahatma Gandhi, Anutai Wagh, Dr. Babasaheb Ambedkar, Rajaram Mohan Roy, M.G. Ranade, Maharshi Karve etc. are thought so also B.Ed. course includes various components which strengthen cultural identity, awareness, uplifting of the society, language acquaintance and the perception of inheritance.

For the integration of Indian languages understanding Disciplines and different topics are introduced to ensure proficiency in Indian languages. The medium of instruction of our college itself is "Marathi" which is complementary to "Hindi" Language.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The prescribed syllabus has a special focus on Outcome Based Education (OBE). Each and every semester has core papers and elective paper and has enlisted the objectives with program outcome.

Thus the whole two years B.Ed program are focused and aimed at Outcome Based Education.

2.3.5 - Continual mentoring is provided by teachers for developing professional attributes in students Describe in not more than 100-200 words the nature of mentoring efforts in the institution with respect to working in teams dealing with student diversity conduct of self with colleagues and authorities balancing home and work stress keeping oneself abreast with recent developments in education and life

Continual mentoring is provided by teachers for developing professional attributes in students through the curriculum, co-curricular and extra-curricular activities. In various curricular activities like micro - teaching and internship, group of students are formed, the concern teacher deals with students diversity as the students come from different background, community and strata. Most of the students from rural area and from agricultural background as these students are not able to express themselves confidently with eye-to-eye contact while teaching in the peer group and in classroom also those students are handled or dealt in such that they slowly and gradually develop the professional quality as they work in team for achieving personal and common goal during learning. Due to continuous mentoring, besides learning skills, self awareness, self recognition and change in behavior leads to new identity of the student. All the students are in continuous touch with their mentor or teachers as there are number of activities to be conducted through the curriculum. for example through understanding the self students are made aware of life skills, self concept and self esteem, knowing oneself, personality development, writing owns CV (curriculum vita) and making SWOT analysis of own self. In this way conduct of self with peer and authorities is dealt. Balancing home and work stress : If a student face any problem related to their home issues the mentor make and effort to resolve it and take follow up it necessary

2.4.11 - Institution adopts effective monitoring mechanisms during internship programme. Describe in not more than 100-200 words, the monitoring mechanisms adopted to ensure optimal impact of internship in schools with specific reference to the role of teacher educators, school principal, school teachers and peers.

In second semester weekly work is given to students and the role of teacher educator is to supervise weekly activity. For this time table is prepared by the teacher educator and same is given to the school principal, school teachers and send on what's app group to the rest of students. The school principal and school Teachers are made aware by conducting meeting about IInd Sem. and IVth Sem. In the IVth Sem. the students get an opportunity to integrate theory with practice teaching lesson, preparing Academic planning i.e. In this semester the students are three and half month in the practicing school so the teacher educator observe the students, there day-to-day attendance, participation in different activities of school, behavior with school Principal, School Teachers and peer. Practice teaching lessons are observed and feedback is noted down in their workbook so that the students get aware of their mistakes and improve in the next lesson.

The school Principal issues a certificate to each student after successful completion of internship. The school teachers provide feedback of each student independently by a feedback form which represents overall performance of the student.

The process of observation by peer is done while students conduct their practice teaching lesson and feedback is noted down in the lesson observation book. Later the teacher Educator, school teacher and peer discuss on the remarks for improvement. Thus comprehensive and continues observation and feedback is given to student teacher.

2.7 - Student Performance and Learning Outcomes

2.7.1 - The teaching learning process of the institution is aligned with the stated PLOs and CLOs. Describe the way in which institution ensures alignment of stated PLOs and CLOs with the teaching learning process in not more than 100 - 200 words.

Programme learning outcomes (PLO's) and course learning outcomes (CLO's) are mentioned in the syllabus of SRTMU, Nanded. The PLO's mentioned in the syllabus for B.Ed. course are promotion of National values and goals, Integration of Knowledge and Pedagogy, Curricular analysis and Enrichment, Understanding the content and problem solving, Educational evaluation, Management, Guidance and Counseling services, Sensitivity for emerging issues, Learner Centered Educational Practices and Knowledge Creation, Research and Innovation.

The teaching learning process ensures alignment of above stated PLO's accordingly by planning out the curriculum transaction activities by all the teachers to achieve the CLO's mentioned. Teachers prepare year plan of their teaching courses to achieve the course learning outcomes. In the beginning of every academic year, each faculty member design and develop the learning experiences regarding the course assigned to them so that the desired course learning outcomes will be ensured. The professor-in-charge prepared different time tables for practical course and EPC's. Through these time tables, various workshops, activities are performed so that the students gain direct and indirect experience and thus attain the objectives prescribed for B.Ed. Programme PLO's are achieved through the academic calendar, while CLO's are achieved through teachers year plan and teaching plan of

the B.Ed. course.
