#### 15. Multidisciplinary / interdisciplinary

##### 1. Multidisciplinary / interdisciplinary

The faculty of Education itself is multidisciplinary as well as interdisciplinary. Therefore this institutions aims to develop social, physical, intellectual, emotional, motor skill and moral capacities of teacher in an integrated manner. In the beginning our curriculum has been designed at national & affiliated university levels. In view of multidisciplinary and interdisciplinary approach this institution always modifies and develops the implementation strategies or method or techniques of curriculum.

This institution has not only different subject like Language, History, Geography, Science, Math, Knowledge & Curriculum, Inclusive Education, Guidance & Counselling, Value Education, Learning & Teaching and Administration & Management in Education etc. but also have innovative programs of multi and interdisciplinary nature to help widen learners thinking, learning & teaching capability and train them to address emerging challenges.

This institution provides a more comprehensive education by exposing student teachers to a diverse range of courses through various intellectual, literary, personality development, entrepreneurship development workshops, seminars, & programs. Since this technique provides a All-rounded education that covers a wide range of topic while also encouraging students to follow their own interest. Good practices of this institution are given below.

1. Content cum methodology workshop.
2. Models of teaching workshop.
3. Basics research in education workshop.
4. Understanding the self -workshop.
5. Reading and reflection on text workshop.

6. Micro teaching and integrated teaching workshop.

With the multidisciplinary and interdisciplinary approach, this institution, above all activities has been conducted and completed for learners.

#### **16.Academic bank of credits (ABC):**

The Swami Ramanand Teerth Marathwada University, Nanded has issued instructions for the implementation of Academic Bank Credits as it is the part of implementing National Education Policy 2020. It was mandatory for the students to create ABC account. Students were made aware and encouraged about opening Academic Bank account on ABC Portal. Our college took action to open an Academic Bank Of Credits Account for the students in the academic year 2022-2023 and name of our college has been included in the list.

#### **17.Skill development:**

##### **3. Skill development:**

Teacher education is a program that is related to the development of teacher proficiency and competence that would enable and empower the teacher to meet the requirements of the profession and face the challenges there in.

Teacher Education = Teaching skills + Pedagogical theory + Professional skills

So teaching skills include providing training and practice in the different techniques, approaches and strategies that help the teachers to plan and impart instruction, provide appropriate reinforcement and conduct effective assessment. It includes effective classroom management skills, preparation and use of instructional materials and communication skills. Thus the nature of the syllabus rotate around the skill development of the studentteacher. Syllabus contains more than fifty percentage skill based correspondents in the curricula like microteaching, teaching aids preparation, practice teaching, lesson observation, academic planning, internship etc.

Besides above practical courses through EPC is Enhancing Professional Capacities like Drama & art in education, Use of ICT in education, Entrepreneurship development, Reading and reflecting on text etc also help to develop the expected skills in the students teacher.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

NEP 2020 recognizes that with the quickly changing employment landscape and global ecosystem, it is becoming increasingly critical that children not only learn, but more importantly how to learn.

In this institution whole work is conducted towards less content, and more towards learning about how to think critically and solve problems, how to be multidisciplinary, how to innovate, use new material in the changing fields. Present pedagogy is learnercentered, discussion based as well as holistic. Thus curriculum included Content cum methodology, Drama and art, cultural activities, Yoga, Understanding the self etc.

The customs and traditions are transcended through courses like perspectives in education where in philosophy of Indian thinkers like Swami Ramanand Teerth, Mahatma Gandhi, Anutai Wagh, Dr, Babasaheb Ambedkar, Rajaram Mohan Roy, M.G. Ranade and Maharshi Karve etc.

For the integration of Indian languages Understanding disciplines and subject, Knowledge & Curriculum are introduced to ensure proficiency in Indian languages. The medium of instruction of our college itself is Marathi which is complementary to 'Hindi' Language.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

In our college the prescribed syllabus of Swami Ramanand Teerth Marathwada University has a special focus on Outcome based Education (OBC). Each and every semester has core papers and Elective paper and has enlisted the objectives with programme outcomes. Thus the whole two year B.ED. programmes are focused and aimed at outcome based Education. The teaching-learning process at this college has these aims and objectives, so there has been a central vision as outcome based process. The twenty-first century is being regarded as the age of ICT, where preservation and assimilation of information is very easy, so there are specific outcomes of specific teaching learning programs.

#### 20.Distance education/online education:

Adequate information on digital initiatives in India is given to the students. In future some value added courses will be conducted in hybrid mode. Students were encouraged to submit their practical work, EPC, Practical course related to skill development. In the coming future institute will introduced new technologies involving artificial intelligence, machine learning. The B.Ed. distance education program typically have a duration of 2 years. Study materials like textbooks, lecture notes, and online resources may be provided to students. These resources enable students to study at their own pace. Contact Sessions: distance education programs have periodic contact sessions, workshops, or seminars where students are required to attend in-person or virtual sessions to clarify doubts, engage in discussions, and participate in practical activities. Examinations and Assessments: There are periodic assignments, quizzes, and examinations that students need to complete as part of the program evaluation. Dissertation/Project Work: students require to complete a research project or dissertation related to education.

As per The Swami Ramanand Teerth Marathwada University, Nanded, the concept of Internship has introduced in two year B.Ed. programme and which is the backbone of B.Ed. course. The main aim of Internship programme is to incorporate teaching skills along with different aspects related to school. The numbers of schools are identified and selected and request letter are sent to avail permission for internship programme in two phases i.e. for four weeks in IInd semester and 14 weeks in IVth semester in respective schools. Before the commencement of Internship, lesson planning workshop and orientation related to Internship is conducted. In IInd semester,	

one week Internship workshop is taken and students are given guidance related to different activities to be performed in the school. In IVth semester also orientation of one week of Internship is taken and students are guided related to the activities to be taken in Internship. As the internship workshop is conducted by the teacher of institution, they are very well aware of their role when internship is going on. Teachers are appointed for a group of students; they guide the students for preparing the time-table, conducting morning assembly, curricular and co-curricular activities etc and wherever assistance is required for smooth conduction of internship in the respective schools. After the completion of Internship programme the students submit their internship work-book to their respective professor-in-charge for assessment. The work-book is assessed by the concern lecturer and student's performance is judged.

2.4.11 - Institution adopts effective monitoring mechanisms during internship programme. Describe in not more than 100-200 words, the monitoring mechanisms adopted to ensure optimal impact of internship in schools with specific reference to the role of teacher educators, school principal, school teachers and peers.

The concept of Internship programme was specifically introduced in two year B.Ed. course which is backbone of teacher education. In second and fourth semester internship programme is conducted. In second semester weekly work is given to students and the role of teacher educator is to supervise that weekly activity is conducted in appropriate way. The school principal and school Teachers are made aware by conducting meeting in the institute about IInd Sem. and IVth Sem. internship programme. In the IVth Sem. the students get an opportunity to integrate theory with practice teaching lesson, preparing Academic planning i.e. year plan, unit plan, lesson plan and unit test with blue print. In this semester the students are three and half month in the practicing school so the teacher educator observe the students, there day-to-day attendance, participation in different activities of school, behavior with school Principal, School Teachers and peer too. The school Principal issues a certificate to each student after successful completion of internship. The school teachers provide feedback of each student independently by a feedback form which represents overall performance of the student during internship. The process of observation by peer is done while students conduct their practice teaching lesson and feedback is noted down in the lesson observation book. Later the teacher Educator, school teacher and peer discuss on the remarks given for bringing about improvement. Thus comprehensive and continues observation and feedback is given to student teacher.

## 2.7 - Student Performance and Learning Outcomes

2.7.1 - The teaching learning process of the institution is aligned with the stated PLOs and CLOs. Describe the way in which institution ensures alignment of stated PLOs and CLOs with the teaching learning process in not more than 100 - 200 words.

Programme learning outcomes (PLO's) and course learning outcomes (CLO's) are mentioned in the syllabus of SRTMU, Nanded. The PLO's mentioned in the syllabus for B.Ed. course are promotion of National values and goals, Integration of Knowledge and Pedagogy, Curricular analysis and Enrichment, Understanding the content and problem solving, Educational evaluation, Management, Guidance and Counseling services, Sensitivity for emerging issues, Learner Centered Educational Practices and Knowledge Creation, Research and Innovation. The teaching learning process ensures alignment of above stated PLO's accordingly by planning out the curriculum transaction activities by all the teachers to achieve the CLO's mentioned. Teachers prepare year plan of their teaching courses to achieve the course learning outcomes. In the beginning of every academic year, each faculty member design and develop the learning experiences regarding the course assigned to them so that the desired course learning outcomes will be ensured. The professor-in-charge prepared different time tables for practical course and EPC's. Through these time tables, various workshops, activities are performed so that the students gain direct and indirect experience and thus attain the objectives prescribed for B.Ed. Programme PLO's are achieved through the academic calendar, while CLO's are achieved through teachers year plan and teaching plan of the B.Ed. course.

Students from various streams take admission to two year B.Ed. programme. All the students are unknown about this profession and the skills required for the profession to identify the learning needs, at the beginning of the session, talent search programme is conducted. The students are observed and judged and we try to find out what is lacking in the students according to the profession. Main focus of this programme is to identify the learning needs they require. Thus to fulfill the learning needs of the students number of workshop are conducted i.e. Teaching Aids Workshop, Microteaching Workshop, Academic planning workshop, Internship workshop, content-cum-methodology workshop. Through talent search programme we observe that students don't have hobby of reading books so reading and reflecting on text workshop is conducted and they are made to read 2-3 books and write a report on it. initially when the students are admitted in the college we come to notice that girls students are

week in health, so through Yoga and Health Education workshop they are motivated to keep themselves healthy and fit. So in this way initially identified performance of students are catered to development of teaching skills through by teaching in the class. In internship programme leadership, stage-daring, fluency in language, facing the peer, eye-to-eye contact are progressed. Thus slowly and gradually an unknown student of this profession carry with him/her number of attributes and attainment.
