7· Special Initiatives taken during Covid-19 Pandemic situation

✚ Context:-

During Pandemic situation students along with the teaching learning process were made aware related to Covid-19 with the help of online learning platform.

✚ Objectives :-

1. To offer a learning platform to students to make them aware of Covid-19
2. To enrich student-teacher knowledge at national and international level related to Covid-19
3. To develop the spirit among the Student-teacher to build confidence, courage and capability to face the Pandemic situation
4. To organize quiz, essay writing competition, speech, Guest-talks related to Covid-19.

✚ Implementing the Practices:-

1. During Covid-19 pandemic learning teaching process was totally taken through online zoom platform to avoid the spread of pandemic as it was declared by the Government of India According to the University instruction the classes were conducted online only. When online class were going on students were made aware of the circulars related to Covid-19 which were provided by Government of India.
2. Students were made aware about Vaccination through notice.
3. Essay writing on Covid-19 pandemic and Lockdown was taken and near about all students responded it.
4. Online lecture was conducted on 04/08/2020 by Dr. Anil Patil related to Covid-19 Pandemic.
5. Sanitization of college was done in the period of Pandemic by Nanded Waghala Muncipal Corporation supporting staff and also by the class-IV staff of the college.

✚ Evidence of Success :-

Every faculty member took online classes on zoom platform from home and all the students were benefitted. Students gave online exam sitting at their home and near about all the students cleared the exam.

All the teaching and non-teaching staff members and all the students took vaccination at the Covid-19 center & Primary Health center in Urban and Rural area respectively when they were made aware of it.

Students gave response to essay writing on Covid-19 Pandemic and lockdown. Online lecture was attended by all the staff and students of the both the year.

To make the college campus Covid-19 free, it was sanitized by the support staff every week.

2· Concept of Mentor and Mentee group

✚ Context :-

To resolve students academic problems in the Covid - 19 pandemic year.

✚ Objectives :

- 1) To develop rapport between student teacher and faculty.
- 2) To understand and solve the problems of student teacher.

✚ Implementing the Practices : -

- The purpose of Mentor & Mentee is to develop better understanding and keep co-ordination to resolve the problems the students. The students are divided into equal number and groups are formed. To each group a faculty i.e. mentor are assigned who play the role of parent.
- In the second year of B.Ed. course three and half month internship programme is to be run and all the students are divided into different schools.
- The mentor looks into students problems arise in the internship programme and in different activities given by other faculty too.
- This concept of Mentor – Mentee was very helpful to solve all kinds of problems faced by the students, their doubts were resolved and the students were encouraged and motivated to participate in all the activities which were conducted online and also sometimes offline too.

✚ Impact :

In this pandemic year this practice of Mentor-Mentee was beneficial to all the student teacher and develop the confidence to stand against the Covid-19
