1. Holistic Student Centric Practices

Importance:-

Holistic Education aims at helping Students be the most that they can be. Education with a holistic perspective is concerned with the development of every person's intellectual, emotional, social, physical, artistic, creative and spiritual potentials. This practice helps Students to perform better academically. Student is more likely to be motivated, focused, and resilient, which are all critical for academic success. This practice promote critical thinking, problem solving and creativity, preparing Students for real world challenges.

Objectives:

- ✚ To develop physical, intellectual, emotional, cognitive and social abilities in Student teacher.
- ✚ To provide a platform to exhibit the hidden talents of the students.
- ✚ To enable the students to develop a sense of culture and morality.
- ✚ To develop gender sensitization and self discipline.
- ✚ To inculcate scientific temper and research culture amongst the students.
- ✚ To nurture critical thinking, creativity and scientific temper.
- ✚ All round personality development of the students.

The ultimate purpose of Students centric practice such as experimental learning, participative learning and problem solving methodologies followed in our institution is to improve the participation of each learner in the learning process and to improve the outcome of the learning process.

The Context:

Student centric activities are necessary for all round development of the students. Such activities play a significant role to imbibe the moral and ethical values among the students. Student centric activities provide opportunities for the students to work in groups and exercise leadership. They meet the psychological needs of the students. These activities provide a platform for expression of talent, which further leads to an overall personality development.

The practice:

Student centric activities give impetus to moulding the personality of the students such that they become responsible citizens of the nation.

The following gives an overview of student centric activities conducted by the college.

Holistic Student Centric Activities :-

- **Curricular**
- **Co-curricular**
- **Extracurricular**

1. Curricular Activities:

- ✚ Effective mentor-mentee system
- ✚ ICT enabled teaching-learning.
- ✚ Continuous evaluation of the students
- ✚ Research projects and projects given to the students
- ✚ Remedial coaching to weak learners and attention to advanced learners.
- ✚ Academic, personal and psycho-social counseling to the students
- ✚ Provision of digital resources for reference with remote access.
- ✚ Encouraging peer learning among the students.
- ✚ Use of innovative methods of teaching like active learning, simulations, evidence Based teaching, narration based learning etc.
- ✚ Exposure to the students to advanced learning and skills through expert lectures, Seminars, workshops etc.
- ✚ Conducting value added courses to enhance the employability and skills of the Students.
- ✚ Effective student feedback mechanism and use of it for improvement in the working of the institution.

Evidence of Success:

The result of these activities is the improvement in spoken skills, soft skills like confidence, positive attitude etc. The students are inculcated with the qualities of leadership, team spirit, sportsman spirit through extracurricular activities. The academic Committees Cultural, Sports, Literary, Social extension ,Student welfare and etc. conducted all activities in the academic year. The evidence is reflected in the on and off-campus placements of the student-teacher and in development of their entrepreneur skills.

Problems Encountered:

- ✚ Admission procedure :- The admission procedure has a problem of selecting good and suitable candidates for the teacher Education course.
- ✚ Curriculum issues.
- ✚ Employment issues
- ✚ Lack of professionalism
- ✚ In some activities there is a limitation on the intake of student participants which poses a hindrance owing to the enthusiasm of the students.
- ✚ The students participate in activities that are framed for their welfare.
- ✚ Time management
- ✚ Creative effective lesson plan that engages Students and meet Educational objectives can be a daunting task for Student-Teachers.

2. Concept of Mentor and Mentee group

✚ Context :-

To resolve students academic problems in the year 2021-2022 (COVID – 19)

✚ Objectives :

- 1) To develop rapport between student teacher and faculty.
- 2) To understand and solve the problems of student teacher.

✚ Implementing the Practices :-

- The purpose of Mentor & Mentee is to develop better understanding and keep co-ordination to resolve the problems the students. The students are divided into equal number and groups are formed. To each group a faculty i.e. mentor are assigned who play the role of parent.
- In the second year of B.Ed. course three and half month internship programme is to be run and all the students are divided into different schools.
- The mentor looks into students problems arise in the internship programme and in different activities given by other faculty too.
- This concept of Mentor – Mentee was very helpful to solve all kinds of problems faced by the students, their doubts were resolved and the students were encouraged and motivated to participate in all the activities which were conducted online and also sometimes offline too. The mentor as possible guidance and concealing to Student.

✚ Impact :

In this pandemic year this practice of Mentor-Mentee was beneficial to all the student teacher and develop the confidence to stand against the Covid-19. And solve Students various types of problems.
