

Government College of Education, Nanded

2020-2021

Institutional Distinctiveness

Government College of Education, Nanded is the of oldest and reputed teacher Education institute in the Nanded region established in 1968.

Year 2020 was pandemic year, there was lockdown every where. we had to start our academic year in online mode which was a big challenge to us.

In this period, college conducted one day State Level Webinar as it was the need of the current situation and society. The webinar was conducted on "Role of Teachers and Students in Environment Awareness" The number of participants 997 attended the webinar and were benefitted. During this Covid-19 college had taken all the activities like Micro-teaching, Integrated lesson, practice teaching Lesson Psychological experiment, and all the activities related to EPC like Understanding the Self, Yoga Education, Reading and Reflecting on text, Use of ICT in Education, CCM, Drama & Art in Education, Teaching Aid preparation were conducted online. Besides this, Celebration of National days, Birth Anniversary of national and social reformers were conducted online as well as offline as per required. University exams were also conducted in online mode as per state Government guideline to overcome the covid-19. Following programmes were declared by State Government like Mazhe Kutumb - Mazhi Javabdari (My family My responsibility) Mazhi Vasundhara, Awareness of Covid-19 Programme was taken and College had kept speech of Doctor where he gave information related to Covid-19 and precaution about it. Through preparation of wall-paper, Posters, quiz etc. Student Teachers where made aware of Covid-19 Pandemic.

Being teacher training institution we used to impart knowledge in face-to-face mode, we used to train them in workshops. As per the vision and mission i.e. to develop integrated personality of teacher trainee who will adjust the changing pattern of society and technology.

It was the period of pandemic we did all the activities to the current need of the society i.e. changed the mode of teaching-learning through online Zoom platform.
