This institute (Government College of Education, Nanded) is the oldest and reputed teacher education institute in the Nanded region established in 1968.

Year 2021 was COVID-19 pandemic year, there was lockdown of half year every where. we had to start our academic year in online mode which was a big challenge to the institute.

In this period, college conducted so many programmes about the awareness and preaction of COVID-19 online mode. During this Covid-19 the institute had taken all the activities of Third Semester like Content Cum Methodology, Psychological experiment, Basic Research in Education and all the activities related to EPC like Understanding the Self were conducted online. Teaching Aids preparations, Micro-teaching, integrated lesson, Yoga and health Education, Reading and reflecting on text of the first semester, Use of ICT in Education, Drama & art in Education, Educational planning, Practice Teaching, Lesson observation, Internship (Four Weeks) of the second semester, and fourth semesters Use of ICT in lesson, Entrepreneurship development, Internship (Fourteen Weeks) and final lesson were conducted offline mode. Besides this, Celebration of National days, Birth Anniversary of national and social reformers were conducted online as well as offline as per situation. University exams were also conducted in offline mode. Following programmes were declared by State Government like International Day of Yoga 2022, Pledge to be Tobacco free, Mahaparinirvana Day of Dr. Babasaheb Ambedkar etc. conducted in College through online & offline mode. Programme related to awareness of Covid-19 was taken through preparation of wall-paper, Posters, quiz etc.

As a Teacher training institution we used to impart knowledge in face-to-face mode, the institute used to train them in workshops. As per the vision and mission i.e. to develop integrated personality of teacher trainee who will adjust the changing pattern of society and technology as well as holistic development of Students.

Due to COVID-19 the institute did all the activities to the current need of the society i.e. changed the mode of teaching-learning through online/offline mode.
